## Article 8

### Liability and insurance

Each driver and competitor performs at his own risk. The organizer does not accept any responsibility for personal injuries and damage to the property of drivers, competitors, mechanics and third parties. Each competitor and driver is responsible for their personal insurance.

The organizer is obliged to have an insurance policy for all officials, the public, third parties and things.

## Article 9

### Competition

Admission and verification of competitors:

Reception and verification will be held on:

- Friday, May 27, 2022 from 7:00 to 9:00 p.m. for arrived vehicles
- Saturday, May 28, 2022 from 07:00 to 09:30 a.m.

Technical acceptance of the vehicle:

Technical acceptance of vehicles will be held on Saturday, May 28, 2022 from 07:30 to 10:00 a.m. on the competition track.

At the technical inspection, it is obligatory to present the (vehicle) registration certificate, i.e. Vehicle Technical Booklet (TKV) and homologation for the competition vehicle.

Training and race:

Training and race will be held on Saturday, May 28, 2022 according to the schedule of the competition program.

One training will be held during which times will be measured and announced, and three runs during which times will be measured and announced.

For the order/scoring at the end of the competition, the result of two better runs is added up.

Participation in the training is not mandatory.

At the end of the third run, the vehicles will be parked in the parking lot at the finish until the expiration of the time for objections and the announcement of the final results.

Starting procedure

The start will take place with a traffic light device, with vehicles in place, engines running and at intervals of at least 20 seconds. The finish will be flying.

## Article 10

### Rank

The competition consists of three timed runs. For the final rank of each driver, the sum of the two better runs (including possible penalties) will be taken into account.

The penalty in the competition is in accordance with Appendix A09 of the Rulebook on Motorsports.

The achieved results will be declared and scored for:

- Central European Championship (CEZ), FIA
- Championship of Croatia
- Open Championship of the town of Jajce.
